INDEX

Look no further than the WARN® ProVantage™ lineup. Available in capacities from 2,500 lbs. to 4,500 lbs. and a choice of durable aircraft-grade wire rope or lightweight, easy-to-handle synthetic rope, these winches are built using premium components and offer market-leading performance and features.

WARN® ProVantage™ winches feature a powerful permanent magnet motor, a smooth reliable three-stage planetary gear train, metal gear housing, an easy-to-use clutch control dial, fully sealed to keep the elements out, a patented roller disc brake for excellent control while winching, and a corrosion-resistant black power-coated finish with a unique black hook and tie rods. These winches have a limited lifetime warranty on mechanical parts and a three-year warranty on electrical components offered through Warn®.

- Hook, tie rods, and body feature attractive, corrosion-resistant black finish
- Three-stage planetary gear train for smooth, efficient operation
- Ergonomic clutch handle
- Patented roller disc brake for outstanding control
- Fully sealed motor and drive train to keep the elements out
- Includes illuminated dash-mounted control switch and corded remote
- All-metal gear housing and gears
- Warranty offered through Warn®
- Limited lifetime, 3 year electrical (North America) provided by WARN®

# WARN® PROVANTAGE™

### A Winch Mount Kits

### B Switch Mount Bracket

Installs WARN® switch neatly on to steering column of any MULE™ 4000 or MULE™ 600 series side x side

Switch Mount Bracket..... 12748-79838..... \$9.95

### B Switch Mount Bracket

### C Bar Mount Switch

Replacement ATV Mini-Rocker Switch • For Use With WARN® RT15 Winch

Bar Mount Switch..... 12748-64851..... \$61.95

### C Bar Mount Switch

### D WARN® Wireless Winch Controller

Operates your winch from within a 50' radius

- Wiring harness with built-in antenna and all hardware allows for installation
- Works with any WARN® powersports winch with a contactor and mini-rocker control switch
- Activation process and recessed buttons prevent accidental winch activation
- Two-color LED indicates when the system has powered on (Green) and when the system has begun winching (Red)
- System automatically powers off to conserve battery life
- Rugged waterproof receiver ignores interference from other signals
- Ergonomically designed handheld remote has large buttons for easy use when wearing gloves
- Works at all vehicle voltage levels that allow winch operation
- All components are weatherproof
- Handlebar-mounted holster keeps the handheld remote at the ready

WARN® Wireless Winch Controller..... 12748-74500..... \$199.95

## WINCH ACCESSORIES

### E Hand-Held Remote

This convenient remote allows you to use the Hand-held Remote instead of the dash mounted switch

- Same as included with WARN® RT30
- Includes connector socket

Hand-held Remote ..... 12748-64259..... \$99.95

### F WARN® Roller Fairlead

Has larger lower roller for "softer" cable flex and improved plow operation

- Common 2-bolt mount pattern, 124mm (4 7/8") hole centers
- Fits WARN® winches
- Nylon roller bushings for easy rotation
- Plated rollers to resist corrosion
- Attachment bolts included

WARN® Roller Fairlead ..... KAF90-001..... \$49.95

### G Roller Fairlead

A must have for your winch, this roller fairlead reduces wear and prolongs cable life by minimizing cable angles

- Standard bolt pattern size
- WARN® replacement part

Roller Fairlead ..... KAF00-019A..... \$30.95

## F WARN® Roller Fairlead

## G Roller Fairlead

## H Synthetic Rope Conversion Kit

For use with all WARN® winches with aluminum drums

- Does not fit (KAF080-050, KAF080-051, KAF080-052, or KAF080-053)
- Includes synthetic rope, rock guard sleeve and roller fairlead

**Note:** When replacing a wire rope with synthetic, it is necessary to replace the fairlead to avoid damage and wear to the new synthetic rope from the rough surface of the old fairlead

Synthetic Rope Conversion Kit .....KW72128..... \$114.95
