

**Kawasaki**

**2018 JET SKI®**  
WATERCRAFT

Professional rider on a closed course

# MAKING HISTORY

Historically, the Kawasaki Jet Ski® watercraft has proven itself as the one to beat. From the countless IJSBA World Finals championships, to the record setting wins at the Long Beach to Catalina (LB2CAT) personal watercraft (PWC) offshore endurance race. Whether it's closed circuit racing on the lake, or offshore endurance championships, Jet Ski watercraft have consistently emerged victorious. When you've got proven technology and performance, no one else really stands a chance.

## ASSEMBLED IN THE U.S.A. WITH FOREIGN AND DOMESTIC PARTS

Kawasaki side x sides, ATVs, and Jet Ski® watercraft are assembled by Kawasaki Motors Manufacturing Corp., U.S.A. from foreign and domestic parts in Lincoln, NE.

JET SKI® SX-R™

# IGNITE THE FUN

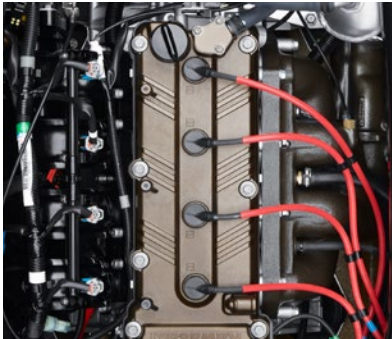

Kawasaki has breathed life into the watercraft category with the revolutionary four-stroke Jet Ski® SX-R™ stand-up watercraft. With powerful four-stroke thrust and agile rider-active handling, the Jet Ski SX-R offers engine and hull performance that makes riders feel comfortable, yet also allows them to win races. Kawasaki has redefined the standard for power with the 1,498cc inline four-stroke engine of the Jet Ski SX-R, creating double the peak power of its two-stroke predecessor, the Jet Ski 800 SX-R. Stunning acceleration and superb cornering performance create an unprecedented riding experience that offers a whole new level of exhilaration and brings stand-up watercraft into the modern age.

EBONY / JET WHITE

ENGINE	4-stroke, 4-cylinder inline
DISPLACEMENT	1,498cc
INDUCTION	Naturally aspirated
MAXIMUM BOOST	N/A
FUEL SYSTEM	DFI® with 60mm throttle body
PROPULSION SYSTEM	148mm Jet pump, axial-flow, single stage
IMPELLER	3-blade, oval-edge stainless steel
THRUST	957 lb
OIL CAPACITY	5.3 qt
FUEL CAPACITY	6.1 gal
LOAD CAPACITY	N/A
STORAGE CAPACITY	N/A
OVERALL LENGTH	104.5 in
OVERALL WIDTH	30.1 in
OVERALL HEIGHT	33.1 in
CURB WEIGHT	551.3 lb**
SEATING CAPACITY	1
COLOR CHOICES	Ebony/Jet White
WARRANTY	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## ENGINE

The Jet Ski® SX-R™ stand-up personal watercraft is powered by a 1,498cc four-cylinder inline four-stroke engine. Thanks to legendary Ninja® ZX™-14R motorcycle-derived technology, it's the hardest accelerating production Jet Ski stand-up personal watercraft ever. Plenty of thrust is available even at low rpm and the abundant torque and smooth power delivery helps riders feel more confident.

## HULL

The V-shape hull design offers an ideal combination of light handling and agility for stand-up performance like never before. The hull carries the engine low and central for balanced weight distribution, resulting in exceptional cornering performance and outstanding handling both in straight lines and in turns.

## DESIGN

A key-operated magnetic ignition switch helps deter theft and a wrist lanyard connected to the engine stop switch automatically cuts power to the engine if the lanyard is removed. Integrated floatation cells help keep the Jet Ski SX-R afloat.

JET SKI® STX®-15F

# SMOOTH WATER SPECIALIST

When the water is calling, answer it with the Jet Ski® STX®-15F personal watercraft. Powered by a class-leading, potent marine-grade, naturally aspirated 1,498cc engine with digital fuel injection, it delivers strong acceleration, excellent fuel economy and low emissions. The agile composite hull and numerous rider features make it the ideal choice for beginning and experienced enthusiasts seeking an exhilarating ride across the glassy horizon.

 EBONY / CANDY BURNT ORANGE

ENGINE	4-stroke, 4-cylinder inline
DISPLACEMENT	1,498cc
INDUCTION	Naturally aspirated
MAXIMUM BOOST	N/A
FUEL SYSTEM	DFI® with 60mm throttle body
PROPULSION SYSTEM	148mm jet pump, axial-flow, single stage
IMPELLER	3-blade, oval-edge stainless steel
THRUST	957 lb
OIL CAPACITY	5.3 qt
FUEL CAPACITY	16.4 gal
LOAD CAPACITY	496 lb
STORAGE CAPACITY	23.5 gal
OVERALL LENGTH	122.8 in
OVERALL WIDTH	46.5 in
OVERALL HEIGHT	41.3 in
CURB WEIGHT	844.5 lb**
SEATING CAPACITY	3
COLOR CHOICES	Ebony/Candy Burnt Orange
WARRANTY	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## KAWASAKI SMART STEERING® COMPACT HULL DESIGN

The Kawasaki Smart Steering® system assists handling under certain conditions by simultaneously monitoring the steering input and the engine speed. The system offers assistance when the throttle is released from high speed and a turn is initiated.

This watercraft has a shallower V-shape and slightly more compact hull design than its Jet Ski® Ultra® siblings. This allows it to get up on plane quickly and easily, making for a nimble and responsive watercraft that specializes in smooth-water maneuvering.

## LARGE REAR DECK

The large rear deck of the watercraft allows plenty of room to climb aboard, or to sit and put on skis or a wakeboard. A long, retractable re-boarding step makes it easy to get back on board after playing in the water.

JET SKI® ULTRA® LX

# REFINED FUN

Comfort and performance strike an ideal balance with the Kawasaki Jet Ski® Ultra® LX personal watercraft. With the ultimate combination of abundant power, a naturally aspirated engine and precise handling, the Kawasaki Jet Ski Ultra LX is the choice for discerning watercraft enthusiasts. All-day outings are made easy with the convenience of its industry-leading 56-gallon storage capacity. Pack what you need and head out for a day of fun on the water.

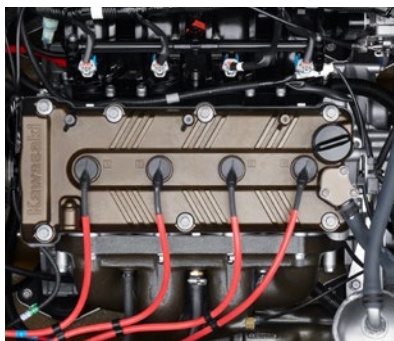

EBONY / METALLIC PHANTOM SILVER

<b>ENGINE</b>	4-stroke, DOHC, four valves per cylinder, 4-cylinder inline
<b>DISPLACEMENT</b>	1,498cc
<b>INDUCTION</b>	Naturally aspirated
<b>MAXIMUM BOOST</b>	N/A
<b>FUEL SYSTEM</b>	DFI® with 60mm throttle body
<b>PROPULSION SYSTEM</b>	155mm jet pump, axial-flow, single stage
<b>IMPELLER</b>	3-blade, oval-edge stainless steel
<b>THRUST</b>	957 lb
<b>OIL CAPACITY</b>	5.3 qt
<b>FUEL CAPACITY</b>	20.6 gal
<b>LOAD CAPACITY</b>	496 lb
<b>STORAGE CAPACITY</b>	60.0 gal
<b>OVERALL LENGTH</b>	132.7 in
<b>OVERALL WIDTH</b>	47.0 in
<b>OVERALL HEIGHT</b>	45.3 in
<b>CURB WEIGHT</b>	932.7 lb**
<b>SEATING CAPACITY</b>	3
<b>COLOR CHOICES</b>	Ebony/Metallic Phantom Silver
<b>WARRANTY</b>	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## ENGINE

The four-stroke, naturally-aspirated 1,498cc engine of the Jet Ski® Ultra® LX produces abundant power with strong acceleration. The 20.6-gallon fuel capacity means your water adventures can go the distance.

## HULL & SPONSONS

Confidently cut through waves thanks to the deep, 22.5-degree V-angle hull, which the Jet Ski® Ultra® LX shares with the Jet Ski Ultra 310 models. Race-inspired sponsons help “grip” the water in the turns for precise handling and optimum performance.

## COMFORTABLE RIDE

The LXury seat features the most comfortable three-person seat on the water, providing rider and passenger optimum support to spend countless hours riding in comfort.

JET SKI® ULTRA® 310X

# THE POWER DYNAMIC

The thrilling ride offered by the Jet Ski® Ultra® 310 Series watercraft starts with the Jet Ski Ultra 310X. Fueled by a 1,498cc four-cylinder engine inspired by the powerhouse Ninja® ZX™-14R motorcycle, the Jet Ski Ultra 310X is boosted by an Eaton Twin Vortices Series (TVS) supercharger for breathtaking power. The deep 22.5-degree V-hull angle and tuned sponsons provide responsive handling while the Electric Trim Control (ETC) and electronic riding modes give class-leading performance in a variety of conditions. With three-passenger seating and 20.6-gallon fuel capacity, the Jet Ski Ultra 310X is set for a full day of fun on the water.

EBONY / METALLIC SURF BLUE

<b>ENGINE</b>	Supercharged and intercooled, 4-stroke, DOHC, four valves per cylinder, inline 4-cylinder
<b>DISPLACEMENT</b>	1,498cc
<b>INDUCTION</b>	Eaton Twin Vortices Series Roots-type supercharger with air-to-water intercooler
<b>MAXIMUM BOOST</b>	16.8 psi
<b>FUEL SYSTEM</b>	DFI® with 60mm throttle body
<b>PROPULSION SYSTEM</b>	160mm jet pump, axial-flow, single stage
<b>IMPELLER</b>	3-blade, oval-edge stainless steel
<b>THRUST</b>	1890 lb
<b>OIL CAPACITY</b>	5.8 qt
<b>FUEL CAPACITY</b>	20.6 gal
<b>LOAD CAPACITY</b>	496 lb

<b>OVERALL LENGTH</b>	132.7 in
<b>OVERALL WIDTH</b>	47.0 in
<b>OVERALL HEIGHT</b>	45.3 in
<b>CURB WEIGHT</b>	1051.8 lb**
<b>SEATING CAPACITY</b>	3
<b>COLOR CHOICES</b>	Ebony/Metallic Surf Blue
<b>WARRANTY</b>	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## SUPERCHARGED ENGINE

The digital fuel injection, 1,498cc inline, four-cylinder engine is the undisputed king of the water. The high-tech Eaton Twin Vortices Series (TVS) supercharger boosts the compact powerhouse, delivering thrills sure to ignite your senses. The sound and feel as the engine hits max boost pressure leaves no question as to why it sets the standard for power and acceleration.

## ELECTRIC TRIM CONTROL

Electric Trim Control system (ETC) is an advanced feature that allows the rider to adjust handling characteristics. The ETC controls the angle of the jet pump nozzle to adjust the hull attitude for specific water surface conditions or riding style.

## PROPULSION

The Direct Drive Axial Flow Pump houses a 160mm stainless steel impeller that converts the power of the engine into 1,890 pounds of forward thrust. The leading-edge shape of the impeller helps provide incredible acceleration, while the intake grate helps maintain a steady flow of water to the impeller.

JET SKI® ULTRA® 310X SE

# WATER-BOUND THRILL

Gain the sporting edge on the water with the Jet Ski® Ultra® 310X SE watercraft. The most powerful production personal watercraft in the world gets an advanced “grip” in rough water conditions. Along with the deep-V hull design and tuned sponsons, the Jet Ski 310X SE is equipped with a sport seat for enhanced comfort. Take the incredible performance of the Jet Ski Ultra 310X SE to new levels—go the distance or simply enjoy a full day on the water with peak power and sporting comfort.

 EBONY / CANDY BURNT ORANGE

<b>ENGINE</b>	Supercharged and intercooled, 4-stroke, DOHC, four valves per cylinder, inline 4-cylinder
<b>DISPLACEMENT</b>	1,498cc
<b>INDUCTION</b>	EatonTwin Vortices Series Roots-type supercharger with air-to-water intercooler
<b>MAXIMUM BOOST</b>	16.8 psi
<b>FUEL SYSTEM</b>	DFI® with 60mm throttle body
<b>PROPULSION SYSTEM</b>	160mm jet pump, axial-flow, single stage
<b>IMPELLER</b>	3-blade, oval-edge stainless steel
<b>THRUST</b>	1890 lb
<b>OIL CAPACITY</b>	5.8 qt
<b>FUEL CAPACITY</b>	20.6 gal
<b>LOAD CAPACITY</b>	496 lb
<b>STORAGE CAPACITY</b>	56.0 gal
<b>OVERALL LENGTH</b>	132.7 in
<b>OVERALL WIDTH</b>	47.0 in
<b>OVERALL HEIGHT</b>	45.3 in

<b>SEATING CAPACITY</b>	3
<b>COLOR CHOICES</b>	Ebony/Candy Burnt Orange
<b>WARRANTY</b>	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## ELECTRONIC RIDING MODES

The Electronic Throttle Valve (ETV) is controlled by the Electronic Control Unit (ECU) and allows multiple riding modes to be activated. Cruise through no-wake zones with one-touch five-mph mode, while Fuel Economy Assistance mode optimizes fuel efficiency. The key-activated Smart Learning Operation (SLO) mode reduces engine power and top speed.

## KAWASAKI SMART STEERING®

The Kawasaki Smart Steering® system assists handling by simultaneously monitoring the steering input and the engine speed. The system offers assistance when the throttle is released from high speed and a turn is initiated.

## COMFORT & ADJUSTABILITY

Fine-tune your ride with a five-way adjustable handlebar that suits a wide range of riders and riding styles. Take your friends out for a day of fun on the Jet Ski® Ultra® 310X SE that comfortably accommodates up to three adults and offers passengers a easy-to-hold handrail.

JET SKI® ULTRA® 310R

# GAME CHANGING PERFORMANCE

When competition is the order of the day, there is simply no beating the Jet Ski® Ultra® 310R watercraft. Designed and tuned for premium power and class-leading performance, the Jet Ski Ultra 310R has all the amenities you need and nothing you don't. Rule the water with the competitive edge of the Jet Ski Ultra 310R.

EBONY / METALLIC STARDUST WHITE

<b>ENGINE</b>	Supercharged and intercooled, 4-stroke, DOHC, four valves per cylinder, inline 4-cylinder
<b>DISPLACEMENT</b>	1,498cc
<b>INDUCTION</b>	Eaton Twin Vortices Series Roots-type supercharger with air-to-water intercooler
<b>MAXIMUM BOOST</b>	16.8 psi
<b>FUEL SYSTEM</b>	DFI® with 60mm throttle body
<b>PROPULSION SYSTEM</b>	160mm jet pump, axial-flow, single stage
<b>IMPELLER</b>	3-blade, oval-edge stainless steel
<b>THRUST</b>	1890 lb
<b>OIL CAPACITY</b>	5.8 qt
<b>FUEL CAPACITY</b>	20.6 gal
<b>LOAD CAPACITY</b>	496 lb
<b>STORAGE CAPACITY</b>	56.0 gal
<b>OVERALL LENGTH</b>	132.7 in
<b>OVERALL WIDTH</b>	47.0 in
<b>OVERALL HEIGHT</b>	45.3 in
<b>CURB WEIGHT</b>	1047.4 lb**
<b>SEATING CAPACITY</b>	3
<b>COLOR CHOICES</b>	Ebony/Metallic Stardust White
<b>WARRANTY</b>	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## DEEP V-HULL

The deep-V hull design is inspired by Kawasaki's championship-winning race machines, with a 22.5-degree hull angle that allows the watercraft to penetrate swells and waves with great efficiency and less shock. Tuned sponsons provide straight-line stability and tighter performance in turns.

## MX STYLE HANDLEBAR

Similar to the handlebar design found on a Kawasaki KX™450F motorcycle, the solid-mounted racing inspired handlebar offers plenty of adjustment to fine-tune your ride. The bar can move into a total of 12 different positions—18 if the optional handlebar holders are included—either forward, rearward, up or down to easily get your riding position just right.

## GRIPPER SEAT MATERIAL

The Jet Ski® Ultra® 310R is equipped with a sport seat designed specifically for hard sport riding. The moderate contour and integrated central bolster of the seat supports the rider's hips, while the textured KX™-style seat cover adds traction at the rider interface for enhanced lower body support during aggressive riding.

JET SKI® ULTRA® 310LX

# CRUISE IN COMFORT

The Jet Ski® Ultra® 310LX watercraft spares no luxury. Enjoy the class-leading performance of the most powerful Jet Ski watercraft with a fully-integrated JETSOUND® audio system, a first in personal watercraft. A five-position adjustable handlebar can house a range of rider sizes and a GPS mount integrated into the handlebar pad accommodates a variety of devices. The three-passenger seat features a heat-resistant cover, providing a comfortable ride for you and your passengers. Standard features such as Electric Trim Control, digital instrumentation, cruise control and Kawasaki Smart Steering® add up to a premium ride with the Jet Ski Ultra 310LX.

EBONY / CANDY LIME GREEN

<b>ENGINE</b>	Supercharged and intercooled, 4-stroke, DOHC, four valves per cylinder, inline 4-cylinder
<b>DISPLACEMENT</b>	1,498cc
<b>INDUCTION</b>	Eaton Twin Vortices Series Roots-type supercharger with air-to-water intercooler
<b>MAXIMUM BOOST</b>	16.8 psi
<b>FUEL SYSTEM</b>	DFI® with 60mm throttle body
<b>PROPULSION SYSTEM</b>	160mm jet pump, axial-flow, single stage
<b>IMPELLER</b>	3-blade, oval-edge stainless steel
<b>THRUST</b>	1890 lb
<b>OIL CAPACITY</b>	5.8 qt
<b>FUEL CAPACITY</b>	20.6 gal
<b>LOAD CAPACITY</b>	496 lb
<b>STORAGE CAPACITY</b>	56.0 gal
<b>OVERALL LENGTH</b>	132.7 in
<b>OVERALL WIDTH</b>	47.0 in
<b>OVERALL HEIGHT</b>	49.4 in
<b>CURB WEIGHT</b>	1073.8 lb**
<b>SEATING CAPACITY</b>	3
<b>COLOR CHOICES</b>	Ebony/Candy Lime Green
<b>WARRANTY</b>	12 Month Limited Warranty

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

## AUDIO SYSTEM

The JETSOUND® audio system comes standard on this luxurious watercraft. This precedent-setting stereo is simple to operate. Just plug in your mp3 player or USB memory stick and press play. A built-in amp and 60-watt speakers allow you to enjoy your tunes loud and clear.

## SUPERIOR LUXURY

The three-passenger LXury seat features industry exclusive heat resistant material along with operator and passenger lumbar support for enhanced comfort. On hot days, this heat resistant material is a huge plus when your Jet Ski® Ultra® 310LX watercraft has been sitting outside in the sun.

## STORAGE & FUEL CAPACITY

You can head out for a longer day with the convenience of the massive 56-gallon front storage compartment with removable tray. Bring along food, drinks, supplies and towels for your adventure on the water. The class-leading 20.6-gallon fuel capacity gives you substantial travel range so you can make the water your playground.
