FOREVER FEARLESS

FRONT AXLE SLIDERS*

Add an extra level of protection to your bike and help guard your forks from possible tip-over damage. These Front Axle Sliders are manufactured from ABS nylon for durability and impact resistance, while adding minimal weight to your front wheel. All necessary instructions and mounting hardware included.

PN 99994-0435 \$119.95

FRAME SLIDER*

Help protect your side fairings from tip-over damage while adding style to your motorcycle. These sleek Frame Sliders are branded with the Kawasaki logo and manufactured from durable ABS nylon. All necessary instructions and mounting hardware included. No drilling of side fairing required.

PN 99994-0437 \$299.95

TANK PAD

This semi-transparent adhesive gel-resin Tank Pad protects the finish of your paint from potential scratches and wear. The Ninja® 1000 logo is incorporated into the stylish die-cut design which contours to the curves of your fuel tank.

PN 168TPT-0058 \$67.95

*This guard may provide limited leg and cosmetic vehicle protection under unique circumstances, i.e. tip over while motorcycle is stopped. It is not manufactured, nor intended to provide protection from bodily injury in a collision with an automobile or any other object.

SEAT COWLS

Enhance the aggressive sport styling of your Ninja® with this unique race-inspired accessory. Seat Cowl is constructed of high-quality ABS plastic and features Kawasaki factory matched paint. Installation of this product replaces the stock passenger seat. All necessary instructions and mounting hardware included.

GEL SEAT

Provide unparalleled comfort and support for both you and your passenger on long-distance rides with this Ninja® Gel Seat. The stylish carbon fiber pattern and embossed Ninja logo on the rear seat enhance the look of your bike while the gel inserts in both sections even out seating pressure for increased comfort. Built entirely on the factory seat base, this two-piece Gel Seat design comes 100% complete for an easy replacement of the stock seat.

Full-face helmet fits easily with room for other necessities on the road.

KQR™ 39 LITER TOP CASE

TOP CASE*

This Top Case is loaded with many functional features that provide a convenient and secure hard luggage solution. Molded from durable ABS plastic and finished with Kawasaki factory matched paint, the lockable Top Case is large enough to fit most full-face helmets (15" L x 18" W x 12" H). Additionally, the Kawasaki Quick Release (KQR™) system allows for removal of the case from its mounting base for off vehicle transport. All necessary instructions and mounting hardware included.

KEY FEATURES & BENEFITS:

- Kawasaki Quick Release (KQR™) Saddlebags click on and off your motorcycle in seconds - no tools required
- Integrated Mounting System* leaves behind no unsightly brackets when saddlebags are removed
- Transition between full touring functionality and sport styling with ease
- One Key System – Saddlebag locks utilize your vehicle's ignition key
- Tandem Grip Set is taller for improved passenger comfort when touring
- Large enough to fit all your necessary gear; including most full faced helmets
- Sleek modern styling matches the aggressive design of your Kawasaki
- Color matched panels and trim perfectly match your vehicle's paint
- Exclusive Kawasaki logo
- Waterproof to protect contents from unfavorable weather
- Internal straps keep gear secure during your ride
- Optional Saddlebag Liners (100LUU-0004) available separately
- Not compatible with KQR™ 39 Liter Top Case Kit

Total width installed on vehicle: 36"

Hard Saddlebags shown in Candy Cascade Blue

Individual saddlebag dimensions: 12" W x 17" H x 19"L

*This accessory must be installed by an authorized Kawasaki Dealer. Improper installation may void the vehicle and/or accessory warranty.

SADDLEBAG LINERS

Designed specifically for the KQR™ 28 liter Hard Saddlebags, these ballistic nylon liners fit the contours of the bags perfectly, allowing you to use all the space provided. Reflective stripes add visibility when you open the bags at night.

PN 100LUU-0004

\$139.95

SOFT TOP CASE

Whether used alone or in conjunction with KQR™ 28 Liter Hard Saddlebags, this Soft Top Case offers a simple cost-effective solution for adding 8 liters of carrying capacity to your Kawasaki motorcycle. This product is constructed from durable water-resistant nylon. Both body and lid are reinforced with foam to provide a solid structure. For an added layer of security, the Soft Top Case mounts with hook-and-loop straps that are connected under the passenger seat and can't be released without removing the seat. The Soft Top Case expands three inches taller for full capacity carrying. Styling of the Soft Top Case includes a molded Kawasaki logo on the lid, and reflective piping which also adds extra visibility at night.

PN K57003-104A

\$89.95

TANK BAG*

This Tank Bag combines function, fitment, and design into an extremely convenient carrying solution for your motorcycle. The Tank Bag has reinforced foam panels to hold its shape when empty, and expands three-inches for extra carrying capacity. Additional key features of this bag include water-resistant nylon, a lightweight magnetic skirt that is treated with a non-scratch rubberized coating to protect your paint, and a clear window tray on the top which holds toll transponders, coins, or garage door openers.

PN K57003-113

\$ 134.95

REPLACEMENT TANK BAG TRAY COVER

Offered separately, the Replacement Tank Bag Tray Cover quickly zips into place just like the original.

PN K57003-117

\$19.95

*Do not use on satin, semi-gloss or flat finish fuel tank surfaces.

Does not fit with
saddlebags or top case

DELUXE COVER

The Deluxe Cover takes bike protection to the next level. Constructed of water-resistant polyester, this cover features a unique shielded vent system to let moisture out from under the cover. The bottom hem of the cover utilizes reinforced grommets that allow you to lock the cover to the bike for added security. Heat shields around the exhaust prevent damage to your cover.

PN K99995-843B

\$ 149.95

PREMIUM COVERS

Protect your passion from the elements with this Premium Cover. Made from 600-denier Sur Last® fabric, the Premium Cover is durable, breathable and has a softened interior to protect your paint from chafing and abrasion. Heat shields around the exhaust prevent damage to your cover. Choose Premium Sport Touring Cover to accommodate Saddlebags and/or Top Case.
