VERSYS 650 LT - METALLIC FLAT SPARK BLACK/METALLIC CARBON GRAY

# UNRIVALLED PERFORMANCE

The Kawasaki line of street motorcycles merges ultimate performance with everyday versatility. From the refined raw Z line to the luxurious Concours®14 and Versys® 650 LT touring bikes, Kawasaki street motorcycles are built for the open road. Whether you're looking for adventure on or off road, the KLR™650 motorcycle is sure to make your riding experience unforgettable. No matter what you ride, all Kawasaki motorcycles have one thing in common: they allow you to "Let the good times roll®."

Z900 ABS - PEARL MYSTIC GRAY/METALLIC FLAT SPARK BLACK  
EUROPEAN MODEL AND ACCESSORIES SHOWN

Z FAMILY

# REFINED RAW

The twist of a grip, the growl of the engine, the adrenaline-pumping thrust of torque. When the raw elements of sport riding are all you crave, look to the Kawasaki Z family of motorcycles. Pared down to the essentials of performance, these no-frills, naked sportbikes harness broad, responsive power in a compact chassis with bold styling, minimal bodywork and lots of attitude.

Z900 ABS

## EXCITE THE SENSES

The new Z900 ABS motorcycle epitomizes Kawasaki's belief about what the ideal supernaked bike should be. Every twist of the throttle is rewarded with crisp, exhilarating acceleration and an ultra-lightweight chassis lends itself to spirited sport riding. Designed for maximum riding pleasure and easy maneuverability, the Z900 ABS is exceptionally responsive and exciting to ride.

Z900 ABS - PEARL MYSTIC GRAY/METALLIC FLAT SPARK BLACK  
EUROPEAN MODEL AND ACCESSORIES SHOWN

ENGINE	4-stroke, liquid-cooled, DOHC, four valves per cylinder, inline-four

PEARL MYSTIC GRAY/METALLIC FLAT SPARK BLACK

METALLIC FLAT SPARK BLACK/METALLIC SPARK BLACK

Non ABS model also available.

## 1 POWER & HANDLING

A superb balance of big power and light responsive handling gives the Z900 ABS a power-to-weight ratio that is optimized for ultimate supernaked performance. The powerful 948cc liquid-cooled, inline four-cylinder engine has a quick-revving character that produces incredible torque and acceleration. A lightweight, narrow chassis and sport-tuned suspension contribute to the Z900 sportbike's light and responsive handling.

## 2 STYLING

The Z900 ABS motorcycle's aggressive supernaked Z styling combines a dominant front face and sharp, minimalist bodywork that exposes the trellis frame and compact engine for a technical appearance with refined fit and finish. LED Z pattern taillight and sporty turn signals make sure to deliver a bold statement at every turn. One look, and you'll fall in love.

## 3 ERGONOMICS

With the relaxed, sporty riding position and wide flat handlebar the rider can easily capitalize on the Z900 ABS motorcycle's street riding potential. The commanding ride position places the rider "in" the bike for a confident and connected riding experience, while the low seat height and tapered seat shape allows easy foot placement during stops and a wide platform for cornering leverage.

Z650 ABS

# MIDDLEWEIGHT SUPERNAKED

Aggressive, supernaked Z styling comes to life in an ideal blend of sporty performance and everyday versatility. Featuring a lightweight chassis and a strong, torquey engine at its core, the new Z650 ABS naked sportbike is a compact middleweight unlike any other. With each ride, broad power and nimble handling make the Z650 ABS incredibly smooth and easy.

Z650 ABS - PEARL FLAT STARDUST WHITE/METALLIC SPARK BLACK  
EUROPEAN MODEL AND ACCESSORIES SHOWN

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied). When equipped, California evaporative emissions equipment adds approximately 2.2 lb.

PEARL FLAT STARDUST WHITE/METALLIC SPARK BLACK

METALLIC FLAT SPARK BLACK/METALLIC SPARK BLACK

Non ABS model also available.

## 1 POWER & HANDLING

Ride like you mean it with the sporty engine performance of the Z650 ABS. This modern parallel-twin 649cc engine packs strong torque and mid-range acceleration that's well suited for sport riding. The lightweight chassis with a low center of gravity provides confident maneuverability at lower speeds while the trellis frame contributes to the bike's lightweight feel and responsive handling.

## 2 STYLING

Take on the streets with the fierce, predator-like posture of the new Z650 ABS motorcycle. The aggressive Z styling of the Z650 ABS features a bold front face, minimalist bodywork and raw styling inspired by Sugomi™ design. Turn heads with the exciting technical appearance of the exposed trellis frame and engine, and the clean, precise design of the integrated front cowl, windscreen and meter.

## 3 ERGONOMICS

The relaxed yet commanding ergonomic design contributes to exceptional handling dynamics, and the integrated rider triangle places the rider inboard to feel as one with the bike. The low tapered seat inspires confidence at stops while providing a wider rear platform for optimal comfort and cornering leverage out on the open road.

Z125 PRO

## DESIGNED TO DEFY

Small in size but big on swagger, the Kawasaki Z125 PRO motorcycle is the nimble supernaked that makes a statement wherever it goes. With its low seat height and upright riding position, pure street tires and four-speed manual transmission, this street motorcycle is your invitation to the rebellious side of fun.

Z125 PRO - CANDY LIME GREEN

ENGINE	4-stroke, 1 cylinder, SOHC, 2-valve, air-cooled
DISPLACEMENT	125cc
TRANSMISSION	4-speed, return shift

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied). When equipped, California evaporative emissions equipment adds approximately 2.2 lb.

CANDY LIME GREEN

METALLIC GRAPHITE GRAY

LIME GREEN/EBONY

## 1 STYLING

The new Z125 PRO is a compact streetfighter that makes a big statement. With its combination of aggressive supernaked Z styling, fierce headlight design, modern instrumentation, distinctive shrouds, sharp LED taillight and sporty turn signals, you're sure to deliver a bold statement at every turn.

## 2 POWER & PERFORMANCE

Be inspired by the peppy power of the fuel-injected 125cc engine. The four-speed manual transmission offers enhanced sport riding performance combined with smooth power delivery and quick acceleration for a fun time on the streets. Head out with the simple push of the electric starter and stay out for an extended ride with the Z125 PRO sportbike's 2.0-gallon fuel tank capacity.

## 3 HANDLING

As the nimblest supernaked around, the Z125 PRO responds to every move with immediate precision and ease thanks to the lightweight chassis with low center of gravity, progressive suspension damping, 12-inch cast wheels and narrow profile street tires. The offset laydown single-shock with four-way preload adjusts to suit single or 2-up riding. Get strong, progressive braking power from the 200mm petal disc front brake and 184mm petal disc rear brake.

## 2017 Z FAMILY ACCESSORIES

# PERFORMANCE DRIVEN

Put a personal touch on your Kawasaki Z motorcycle with Kawasaki Genuine Accessories. Built and developed by Kawasaki engineers, these accessories are designed to provide powerful, reliable and versatile performance. For a perfectly integrated fit, easy installation and long-lasting dependability—accessorize your bike with Kawasaki Genuine Accessories.

Z650 ABS - PEARL FLAT STARDUST WHITE/METALLIC SPARK BLACK

## KAWASAKI GENUINE ACCESSORIES ARE:

### DEVELOPED BY KAWASAKI ENGINEERS

This ensures a perfectly integrated fit, easy installation and long-lasting dependability.

### THOROUGHLY TESTED

These accessories meet the same stringent quality standards as every Kawasaki Z motorcycle, as a result of exhaustive testing by Kawasaki engineers.

### WARRANTY COMPLIANT

Kawasaki Genuine Accessories never compromise the status of your optional Kawasaki Protection Plus™ like some aftermarket parts.

VERSYS 1000 LT - METALLIC FLAT SPARK BLACK

VERSYS® FAMILY

# PERFECTION ON ANY PAVEMENT

If you're looking for the ultimate combination of fun and performance on all types of pavement, nothing packs more versatile practicality than a Versys® motorcycle. For strong performance from city traffic to winding back roads, the Versys 650 ABS delivers with nimble handling, compact stature and power. Add the Kawasaki Quick Release 28-liter Hard Saddlebags and Hand Guards that come standard on the Versys 650 LT, and you're ready to take your adventures further. And for the ultimate in comfortable, long distance travel, the Versys 1000 LT has an upright riding position and long-travel suspension that provides all-day comfort.

VERSYS® 1000 LT

## OPEN ROAD RIDER

Ignite your spirit of open-road adventure with the Versys® 1000 LT motorcycle. This Euro-style touring motorcycle combines liter-class power with all-day comfort and outstanding versatility to take on any road. Long-travel suspension, natural upright riding position and a smooth, powerful engine add up to a comfortable ride for you and your passenger, whether it's on the highway, city streets or remote back roads. Seek new destinations in style with the Versys 1000 LT.

ENGINE	4-stroke, 4 cylinder, DOHC, 16-valve, liquid-cooled
DISPLACEMENT	1,043cc
TRANSMISSION	6-speed
FRONT SUSPENSION / WHEEL TRAVEL	KYB 43mm inverted front fork with adjustable rebound and preload/5.9 in
REAR SUSPENSION / WHEEL TRAVEL	Horizontal back-link shock with adjustable rebound damping and adjustable spring preload, remote preload adjuster/5.9 in
FRONT TIRE	120/70x17
REAR TIRE	180/55x17
FRONT BRAKES	Dual 310mm petal rotors with four-piston calipers, ABS
REAR BRAKES	Single 250mm petal rotor with single-piston caliper, ABS
RAKE/TRAIL	27.0°/4.0 in
SEAT HEIGHT	33.1 in
CURB WEIGHT	549.0 lb** (+ Saddlebags, Handguards, & Hardware approx. 20 lb.)
FUEL CAPACITY	5.5 gal
WHEELBASE	59.8 in
COLOR CHOICES	Metallic Spark Black

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied). When equipped, California evaporative emissions equipment adds approximately 2.2 lb.

METALLIC FLAT SPARK BLACK

### 1 ENGINE

Powered by a quick-revving inline four-cylinder engine, the Versys 1000 LT pours on strong and efficient power, while selectable engine Power Modes and three-mode Kawasaki Traction Control (KTRC) give you the ability to fine-tune the power delivery of the potent engine.

### 2 LONG TRAVEL SUSPENSION

Long-travel suspension is a key element to the versatile prowess of the Versys 1000 LT, where sporty handling and all-day comfort come together in a remarkably adaptable ride. The long-travel suspension's ability to cope with less-than-perfect street conditions allows the Versys 1000 LT to remain composed where bikes with stiffer, sportier set-ups would be far less comfortable.

### 3 TOURING FEATURES

Touring the open road is practical and comfortable aboard the Versys 1000 LT. Two standard-fit Kawasaki Quick Release 28-liter Hard Saddlebags provide an ample amount of utility, while the generous 5.5-gallon fuel capacity ensures you can go the distance. To top it off, the large windscreen features up to 2.95 inches of height-adjustability, without needing tools.

VERSYS® 650 ABS

## READY WHEN YOU ARE

With the agility to carve through canyons and all-day comfort, few can match the Versys® 650 ABS motorcycle when it comes to performance, versatility and sheer fun-factor. Answer the call of the open road with the nimble yet powerful 649cc parallel twin-powered Versys 650 ABS. The upright riding position, exceptional long-range potential and sporty chassis are the recipe for a fun open-road adventure whether it's on the interstate or through back roads. From your urban commute to your weekend adventure, the Versys 650 ABS is ready to pursue your destination.

VERSYS 650 ABS - METALLIC FLAT SPARK BLACK/METALLIC CARBON GRAY

METALLIC FLAT SPARK BLACK/METALLIC CARBON GRAY

METALLIC FLAT RAW TITANIUM

### 1 ENGINE

The compact parallel-twin engine of the Versys 650 ABS is tuned to deliver strong, quick-revving power, especially in the low- to mid-range.

### 2 UPRIGHT RIDING POSITION

The upright riding position of the Versys 650 ABS provides relaxed, heads-up visibility in various riding environments, and allows riders to enjoy all-day riding comfort.

### 3 LONG-TRAVEL SUSPENSION

The long-travel suspension of the Versys 650 ABS provides sporty handling and all-day comfort. It soaks up bumps with ease, and helps give riders more confidence on a variety of road conditions.

VERSYS® 650 LT

# INSPIRATION EVERYWHERE

The Versys® 650 LT is a highly versatile motorcycle that's equally comfortable navigating city streets or tackling mile after mile of open highway. It comes equipped with a set of color-matched 28 liter hard saddlebags featuring Kawasaki Quick Release integrated mounting and a convenient one-key system for saddlebag unlocking and removal. Added hand guards provide increased wind protection. With its long-travel suspension, sporty 17-inch wheels, a slim upright riding position and a parallel-twin engine, the Versys 650 LT offers an incredible ride.

VERSYS 650 LT - METALLIC FLAT SPARK BLACK/METALLIC CARBON GRAY

ENGINE	4-stroke, liquid-cooled, DOHC, four valves per cylinder parallel twin

\*\*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied). When equipped, California evaporative emissions equipment adds approximately 2.2 lb.

METALLIC FLAT SPARK BLACK/METALLIC CARBON GRAY

METALLIC FLAT RAW TITANIUM

## 1 ENGINE

The 651cc liquid-cooled, fuel-injected, parallel-twin engine pumps out strong low-to-mid range torque that's broad, powerful and responsive, making the Versys 650 LT a willing accomplice on the streets. Tuned for versatile performance, the compact parallel-twin is a thrill to ride across town or across state lines.

## 2 SADDLEBAGS & ACCESSORIES

Kawasaki Quick Release 28-liter Hard Saddlebags and Hand Guards come standard on the Versys 650 LT. The added function and on-board storage reveal the touring potential of the Versys 650 LT. Together with the ample 5.5-gallon fuel tank and a host of available Kawasaki Genuine Accessories the possibilities are endless.

## 3 EASY ADJUSTABILITY

The considerable versatility of the Versys 650 LT carries over to the rider interface, with key features like the remote preload adjuster for the shock. Make quick and easy changes to the preload to accommodate for loaded saddlebags or a passenger. The large windshield features up to 2.6 inches of height-adjustability, without needing tools. Added features such as the five-way adjustable clutch lever allow the rider to personalize based on preference, and a new gear position indicator added to the dash increases shifting confidence.

## VERSYS® FAMILY ACCESSORIES

# ACCESSORIZE YOUR ADVENTURE

The only thing better than a new Kawasaki motorcycle is one that's been personalized by you. Make your Versys® even more unique with a wide variety of Kawasaki Genuine Accessories.

KLR™ 650

## BEYOND LIMITS

With the Kawasaki KLR™650 motorcycle adventure doesn't have to end when the pavement does. Venture beyond the asphalt aboard Kawasaki's capable and dependable dual-purpose motorcycle. Simple styling, reliable construction and versatile performance provide the ultimate freedom to take on your daily commute or navigate rugged cross-country terrain. A renowned fixture in the Kawasaki line, the KLR650 has demonstrated its dogged determination time and again. Straightforward technology, sturdy construction and versatile performance continue to make it the ideal choice for adventurers around the world. Matrix Camo Gray graphics add fresh style to the motorcycle that *Cycle World* magazine calls "simple, effective and dead reliable," and "the default choice for a lightweight, low-cost adventure machine."

METALLIC MATTE CARBON GRAY

CANDY PERSIMMON RED

MATRIX CAMO GRAY

## 1 ENGINE

The 651cc single-cylinder engine of the KLR650 motorcycle is a pillar of Kawasaki strength and durability. With rock-solid dependability, this versatile power plant produces steady low-end torque and a linear power spread. The capable suspension allows you to handle everything from the highway to the winding back roads and arching mountain ridges. Possibility begins with capability, and adventure begins with the KLR650 motorcycle.

## 2 INSTRUMENTATION

A clean and simple three-gauge instrument panel includes an analog speedometer, tachometer, odometer, trip meter and water temperature gauge along with turn-signal, high-beam and neutral indicator lights.

## 3 TOURING FEATURES

Get ready to go the distance with the KLR650. The upper fairing and windscreen work together to help reduce rider wind exposure, as do the standard hand guards. A generous 6.1-gallon fuel tank gives the KLR650 an exceptional riding range, meaning the adventure only stops when you want it to.

CONCOURS®14 ABS

## REDEFINED POWER

Does the idea of supersport performance combined with all-day comfort sound like an utter contradiction?

It might seem impossible until you meet the Kawasaki Concours®14 ABS motorcycle.

Kawasaki's sport-touring powerhouse gets the soul of a Ninja® ZX™-14R sportbike giving it the superior performance of advanced technology and premium features for the ultimate sport touring experience.

ENGINE	4-stroke, 4-cylinder, DOHC, 4-valve, liquid-cooled

CANDY IMPERIAL BLUE

### 1 ENGINE

Based on the 1,441cc inline four-cylinder engine of the Ninja ZX-14R, the Concours14 ABS produces a wide range of smooth-revving power. Digital fuel injection with a dual throttle-valve system ensures an efficient ride.

### 2 K-ACT

The Kawasaki Advanced Coactive-braking Technology ABS system (K-ACT) helps boost braking confidence and wield massive stopping power, with dual floating 310mm petal-style rotors and four-piston calipers in the front and a 270mm petal-style rotor in the rear.

### 3 TOURING READY

The Concours14 ABS comes with a host of touring features including a pair of water-resistant Kawasaki Quick Release Hard Saddlebags, an electronically adjustable windscreen and standard heated grips. The Tire Pressure Monitoring System (TPMS) warns of low tire pressure, and the Fuel Economy Assistance Mode helps maximize fuel range. A Tetra-Lever rear suspension with stepless rebound damping adjustment and remote spring preload adjuster helps keeps the ride smooth.

# KAWASAKI STRONG

## MUCH MORE THAN MOTORCYCLES

### BULLET TRAINS

You already know KHI builds machines that move people. But, did you know it also builds machines that move thousands of people—all at once? We're talking trains here. From New York City subway cars to Japan's hyper-speed bullet trains, Kawasaki has been in the business since 1906. Whether a 186-mph bullet train or a 1,441cc Ninja® ZX™-14R motorcycle, KHI likes to believe that the technology that goes into moving thousands of people has a positive effect on how it goes about moving just one.

### MOTORCYCLES

Since KHI built its first motorcycle engine in 1953, it has never stopped pushing technology to arm riders with what they need to dominate the streets. Advanced engineering, exhaustive testing and tireless passion go into every motorcycle every time rubber hits the road. From industry-first features to the features that have evolved over a long history, KHI's innovations will never stop feeding the insatiable appetites of riders around the world.

### ROBOTICS

If robots are the future, then KHI has been shaping it since 1969 when the company built its first industrial robot. KHI continues to be a leader in the development of robots for a diverse number of processes including: assembly, handling, welding, painting and sealing. Kawasaki robot technology is being used every day to manufacture motorcycles and other products.

## KAWASAKI HEAVY INDUSTRIES, LTD. (KHI)

With 130 years of Kawasaki Heavy Industries, Ltd. (KHI) engineering building the heaviest, most durable and complex machines on the planet, Kawasaki STRONG is a name we can claim. KHI builds tunnel-boring machines that connect continents and trains that carry millions of New Yorkers in and out of the city 24 hours a day, seven days a week. From these engineering monsters, to the last bolt on the Z650 ABS motorcycle, KHI engineering says, over and over: Use me. Rely on me. I'm built to ride.

#### WARRANTY

The Kawasaki Z900 ABS, Z650 ABS, Z125 PRO, Versys® 650 ABS and KLR™650 motorcycles come with a 12 month limited factory warranty. The Versys 1000 LT, and Versys 650 LT come with a 24 month limited factory warranty. The Concours®14 comes with a 36 month limited factory warranty.

#### UP TO FOUR YEARS EXTENDED COVERAGE

Let Kawasaki protect your new vehicle for years to come with Kawasaki Protection Plus™. This plan repairs or replaces most components free of charge if found defective in material or workmanship. Everything about the plan is easy: There's no deductible. It's honored at every authorized Kawasaki dealer nationwide. It's transferable to another owner with no fee. Just ask your dealer how you can purchase additional coverage of 12, 24, 36, or 48 months (depending on the model and plan purchased).
