## RACE KIT PARTS

### Adjustable ECU

Kawasaki Accessories or other items in the Race Kit Parts section are subject to the following conditions:

- These items are intended for closed-course competition only.
  - Alteration of emissions-related components can constitute violation of federal and/or state laws. Substantial fines and penalties can result if used for other than closed-course competition use.
  - Use of unauthorized components and use of a vehicle in competition can affect a vehicle's warranty coverage.
  - Kawasaki Accessories used in competition are not covered by any warranty and are not returnable.
  - Quantities may be limited and replacement parts may not be available.
- Adjustable Racing ECU optimizes adjustability for fuel, ignition timing, over rev, auto shifter, traction control, launch control plus 22 other parameters • Comes with CD and requires Adaptor Cable (57001-011) and Main Harness (26031-2113), sold separately • Fits ABS models but does not support ABS functionality
